Dear Parents/Carers

I am writing to inform you that the AQA exam board have now released the grade boundaries following last year's English and English Literature results. We are now able to predict more accurately and award a more accurate grade in assessments.

This means that you are likely to notice a drop in your child's assessment grades. Please do not be concerned about this as it was something that we anticipated. The raw scores obtained remain the same.

If you would like to discuss this further, please email me or your child's English teacher and we will respond to any concerns.

Thank you for your continuing support.

Yours sincerely

*Jane Holdaway*
