

**CRESTWOOD**  
COMMUNITY SCHOOL

TNH/JSS

17 April 2018

Dear Parent/Carer

I just wanted to update you on a couple of improvements that are happening on the Cherbourg Campus. As of Tuesday 17th April, there will be a change to the student entrance to the school site from Cherbourg Road. We have had a new student entrance built further along the road near to the school's boundary with Eastleigh College. Up to now the school entrance has seen students have to cross the road where vehicles are entering and exiting the school site. This new entrance is a pedestrian entrance and will ensure students have a safer way to and from the school site. The bike shelters will also be moved over the Summer holidays and will be situated next to this new pedestrian entrance.

As we enter the Summer term, temperatures will start to rise. Over the coming weeks, we are having a number of water coolers installed around the school site to ensure students can access chilled drinking water throughout the school day. The school will not be supplying cups in future, so students will need to bring in their own water bottles to use.

We have also opened our new hard courts this week. These courts are situated behind the Drama Studio. They have been marked out for 5-a-side football, basketball, netball and tennis usage. Student are able to use these courts at lunch and break times to play these sports. Students must not eat on the courts.

If you have any questions please do not hesitate to contact me on 02380 649606 or via email on [tim.nash@crestwood.hants.sch.uk](mailto:tim.nash@crestwood.hants.sch.uk).

Yours sincerely

Mr. Nash  
Head of School, Cherbourg Campus
