2 October 2018

Dear Parents/Carers

Year 8 Positively MAD Super Speed Study Skills Session

On Wednesday 10th October 2018, we host the first of our sessions with Positively MAD to support students in developing skills and habits that prepare them for their GCSEs and support their studies.

This session is called Super Speed Study Skills and is aimed at Year 8. It develops students' positive attitude to studying and revision, empowers them with effective study techniques and raises self-belief and aspirations. The lessons learnt can be applied to all subjects throughout Key Stage 3 and will also support preparation for GCSE exams.

Students will take part in the session during the school day and we are delighted to be able to offer parents the chance to attend a workshop from 5 – 6pm on the same day. All parents are welcome to attend, however the session will be particularly useful for parents of Year 8 students to follow up what they have learnt in the day.

The parents' workshop will be hosted on the Cherbourg campus in the main hall.

If you would like to attend the parent workshop, or would like any further details, please email me on jonathan.russell@crestwood.hants.sch.uk.

Yours sincerely

Jonathan Russell
Assistant Headteacher and Year 11 Lead
