

CRESTWOOD
COMMUNITY SCHOOL

KDS/JSS

26 February 2019

Dear Parents/Carers

We are writing to inform you that, on Thursday 28 February 2019, some maintenance work is being carried out on our IT server, which may affect computer and internet use on both campuses for some or all of the day.

The school telephone system will be up and running as normal.

If your child usually purchases a school meal, could you please ensure there is sufficient money on their account before Thursday. The money loading machines may be out of action, along with the Tucasi online system, for some or most of the day.

Thank you for your cooperation. We hope that the disruption will be minimal.

Yours sincerely

Krista Dawkins
Headteacher
