Are you considering a career change? Thinking of working with young people? Perhaps contemplating teaching as a possible career in the future, then this may be the role for you. A Cover Teacher will undertake the supervision of classes in the absence of teachers and provide support for teaching staff and extra curricular activities.

You must be educated to GCSE level with proficiency in Maths and English, have good communication skills with an ability to clarify and explain instructions clearly and be adaptable and flexible. Experience of working in a school environment would be advantageous but is not essential.

Crestwood Community School is one school, with two campuses serving central Eastleigh. We are looking to appoint an enthusiastic and ambitious individual to the role of Cover Teacher as soon as possible.

The post of Cover Teacher is to ensure teacher absence for whatever reason (sickness, professional development, meetings, etc.) can be covered by our own staff, who will be known to our students and familiar with the day-to-day procedures around the school. This alleviates difficulties finding supply teachers, whose teaching abilities can sometimes be undermined if they are new to the school and its students.

You will be required to cover classes in the absence of the class teacher therefore we are looking for someone with good organisational skills, who is patient and assertive with a good sense of fairness and discipline. You will be expected to maintain behaviour management standards of children, which on occasion can be challenging, and possess the ability to motivate and encourage children appropriately to make positive choices. The ability to form good relationships with our students and staff and play an active role in the school is essential. Duties will be varied and, as well as class cover, could include; providing classroom support, arranging displays of student work, preparing for open evenings or exams and other administrative tasks in support of the teacher. It will require a flexible and proactive approach, so that students can gain access to the work set and complete it in the time allowed. A non-confrontational approach to the students is essential. Training will be provided, but the post will only suit someone who can communicate with young people.

Our last OFSTED inspection confirmed that we are a 'good' school. We also achieved outstanding gradings in Personal Development and Behaviour and Leadership. They also said that as a school we are *"passionately committed to providing a first-class inclusive education for all pupils; tenacious in their pursuit of additional resources and approaches to continually improve provision."* This is a happy school, where staff and students want to be. The #Crestwoodfamily pervades through everything we do.

This post offers an exciting career opportunity for either someone new to the education sector, by providing an excellent opportunity to gain experience of working in schools, or for experienced individuals looking for fresh challenges. Training is provided which includes a comprehensive induction programme.
