

CRESTWOOD
COMMUNITY SCHOOL

14 May 2025

Dear Parents/Carers

We are pleased to invite you to our transition open afternoon, aimed at supporting you and your child to prepare for starting secondary school in September. At Crestwood Community School we value partnership with parents, carers and primary school staff to ensure that your child has a successful transition and you have the opportunity to meet with key staff to discuss any strengths or areas of concern before they start with us in September.

To support this the Inclusion Support team would like to **invite parents of children with an EHCP, identified SEN** or those who have been identified by their current school staff to attend an event on: **Wednesday 18th of June from 3:30-5pm at the Shakespeare Campus**. This event is for students who will be attending either the Shakespeare or the Cherbourg campus. Staff from both campuses will be in attendance to support you and your child. There is also an additional **Year 6 transition evening on Thursday 26th of June** which is available to all parents. We would recommend that you attend both as the transition evening on the 26th of June will provide additional details on topics which will not be covered in the Inclusion Support event.

The event will start with a short presentation, this will focus on the support available to students at Crestwood Community School and what provision for a student with an EHCP may look like in Year 7. There will then be an opportunity to meet and have a short conversation with a member of the Inclusion Support team who will be working with you and your child when they join in September.

If you would like to attend or you have any questions about this event please contact the team via email at jackie.harding@crestwood.hants.sch.uk.

Kind regards

Hollie Sutherland
