- Please can we ask parents to ensure they are using ClassCharts. This is the primary way of reporting your child's absence from school, showing what homework your child has and giving an overview of their behaviour. If you do not have access, please contact [itsupport@crestwood.hants.sch.uk](mailto:itsupport@crestwood.hants.sch.uk) who will support you.

- We have an email account to deal with inappropriate communications from parents. This includes social media posts, emails, phone calls and in-person conversations. Any communications that are not in line with our communication policy will not be responded to. We request that parents do not enter the premises aggressively as you may be banned from the site.
- For more information on our extracurricular activities, please visit ([here](#))
- **REPORTING CHILD ABSENCE**

The easiest and quickest way to report your child's absence is via the ClassCharts parent app, click on the child's name and select 'report absence' - this would be the preferred option. Please note: you will need to contact the school via ClassCharts each day of your child's absence.

Below are alternate ways that you can also report a child absence:

Send a text message to 01208 455002 (please note this number does not accept phone calls)

Email [sc8504191a@schoolcomms.com](mailto:sc8504191a@schoolcomms.com) (only to be used for absence reporting and only if we have your email address registered on our system) Email [attendance@crestwood.hants.sch.uk](mailto:attendance@crestwood.hants.sch.uk)

We are seeing a substantial increase in children's absence for minor illnesses, if you're unsure as to whether your child is well enough for school please visit this website:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

In our collective effort to ensure the well-being of all students, we kindly request your support in providing more details if your child is feeling unwell. Whether it's flu, vomiting, tonsillitis, or any other specifics, this additional information aids us in offering the best care and understanding your child's needs. Your cooperation is invaluable in maintaining a safe and nurturing environment for everyone. Thank you for entrusting us with your child's well-being.

**We sincerely thank you for your continued support in helping us to improve attendance.**

- Holiday requests need to be made in writing via the Hampshire Holiday form. These are available from the school. Holidays will not be approved unless in **exceptional circumstances**. Where you have children across multiple schools we will liaise and make a joint decision. Any attendance that is below 90% cannot be approved.

[PARENT ONLINE SAFETY](#)

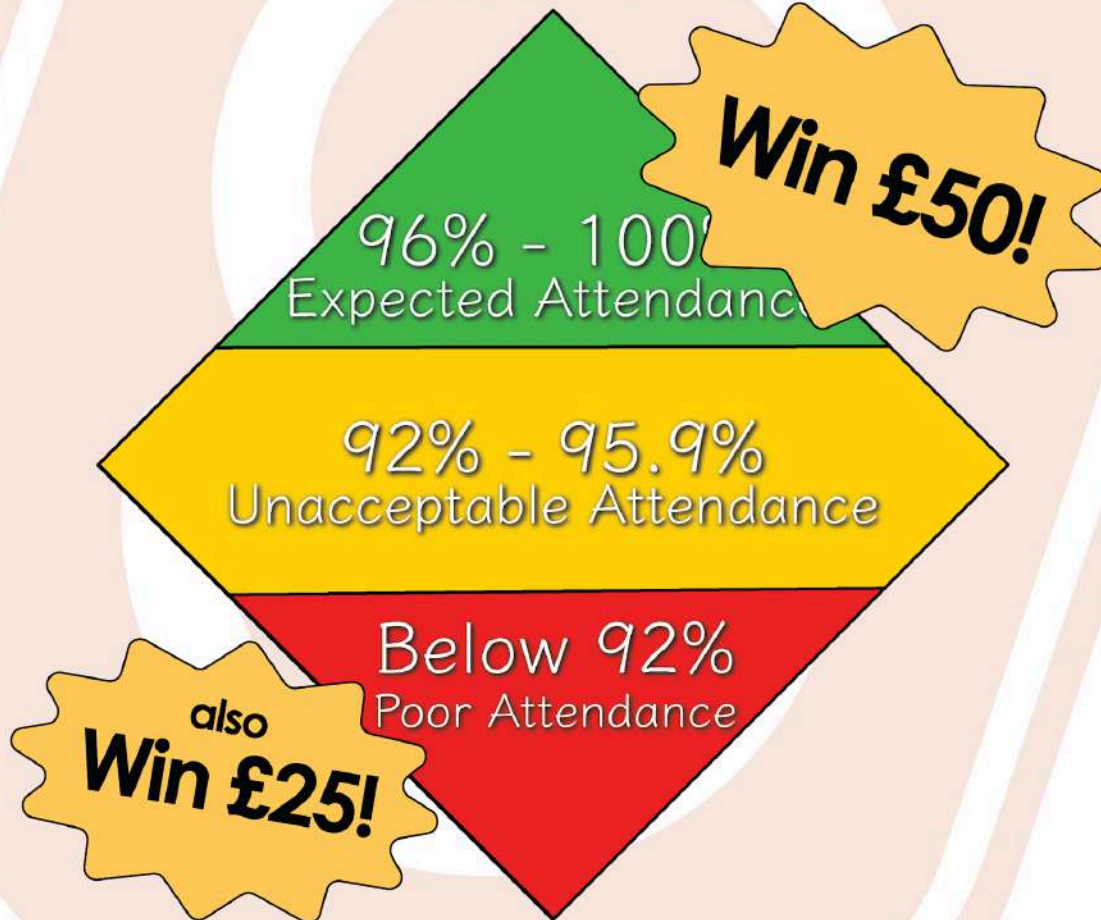

London Grid for Learning (LGfL) has released a new online resource aimed at helping schools to support parents around online safety. For adults with busy lives and various responsibilities, it is not always feasible to maintain a grasp on advancing technologies. Particularly when those technologies might not be aimed at their age demographic, but will be aimed at their children's age brackets. LGfL's presentation - Parent Online Safety: A Ready-to-use resource - aims to get parents familiar with topics such as social media, gaming, and online harm.

The presentation can be found here: <https://lgfl.net/safeguarding/parent-online-safety>

# Every School Day Counts

## Every Minute Counts

### LATENESS = LOST LEARNING

(Figures below are calculated over a school year)

5 Minutes late each day	3 Days lost!
10 Minutes late each day	6.5 Days lost!
15 Minutes late each day	10 Days lost!
20 Minutes late each day	13 Days lost!
30 Minutes late each day	19 Days lost!

If you do not follow the behaviour principles, this is what will happen:

# Opportunity 1

You will have a chance to correct your behaviour.

# Opportunity 2

You will have a final chance to put things right, Your teacher may move you to another seat, ask you to step outside or speak to you outside, or they may choose other options. That is the teacher's choice.

# Consequence

If you still fail to meet your teacher's expectations, there will be a consequence. If you have to be parked, you will automatically be in After School Reflection and your parents will be informed.
