COMMUNITY SCHOOL

## PARENT BULLETIN

### WEEK BEGINNING MONDAY 31 MARCH 2025

#### Key Messages:

- **Week 1 Menu 3** [here](#)
- **MIS Change to Arbor** - Over the Easter holidays, Crestwood will be moving to a new Parent and Student App called Arbor. This system will be used for all communications including behaviour and attendance, as well as school lunch and trip payments. As a result of this change, Classcharts will be withdrawn from use at Easter and students will have until May half term to spend any accrued points in the online shop. Parents and Students will receive more information in the coming weeks including a guide on how to register and log into the new app. Please note that between Monday 31st March and Friday 4th April, attendance and behaviour information will not be available for parents or students to view. If you have a question about your child's attendance please contact the attendance team. [Here](#) is a copy of the letter sent to parents.
- Nearly there! Five more get-ups until we break up for a well-earned break. We finish at 12.30 pm on 4th April, there will be a brunch style food offering to replace lunch. We return on Tuesday, 22nd April 2025.
- **ASRs**- If a student has an ASR then it will only be rearranged if it is for a medical reason ONLY. Football training, picking up siblings and other such issues is not valid reason for rearranging. If students misbehave the consequences are clear in the behaviour policy that an ASR is to be set. If children don't want to do ASRs, then they need to behave.
- **Uniform**- Several students are replacing the blazer with a hoodie or sweatshirt. These are not part of our uniform. Please ensure your child has their blazer with them every day and that the jumper is a V-neck, wool knit.
- Students are welcome to wear the Red Crestwood Summer Polo shirts after the Easter holidays. Blazers will need to be worn as well.
- Holland Football tour- First week of the Easter Holidays
- Barcelona Spanish Trip- First week of the Easter Holidays
- Macbeth at the Globe theatre- Saturday 5th April

#### REPORTING CHILD ABSENCE

- Just a reminder that we can no longer receive text messages or emails to [sc8504191a@schoolcomms.com](mailto:sc8504191a@schoolcomms.com), so please don't use these routes to report your child's absence. The preferred method for reporting your child's absence is on the ClassCharts app. Click on your child's name and select report absence. If you're struggling to access Classcharts, please email [attendance@crestwood.hants.sch.uk](mailto:attendance@crestwood.hants.sch.uk)
- Year 8 Parents' Evening is on 15th May due to the Shrek production taking place in the same week.
- After School Reflections will now run 4 nights a week, Tuesday through Friday, 3 pm - 4 pm. Parents will receive notifications through ClassCharts, changing to Arbor after Easter.
- We have an email account to deal with inappropriate communications from parents. This

includes social media posts, emails, phone calls and in-person conversations. Any communications that are not in line with our communication policy will not be responded to. We request that parents do not enter the premises aggressively as you may be banned from the site.

- For more information on our extracurricular activities, please visit ([here](#))
- Absence requests need to be made in writing via the Hampshire Holiday form. These are available from the school. Holidays will not be approved unless in **exceptional circumstances**. Where you have children across multiple schools we will liaise and make a joint decision. Any attendance that is below 90% cannot be approved.

[PARENT ONLINE SAFETY](#)

London Grid for Learning (LGfL) has released a new online resource aimed at helping schools to support parents around online safety. For adults with busy lives and various responsibilities, it is not always feasible to maintain a grasp on advancing technologies. Particularly when those technologies might not be aimed at their age demographic, but will be aimed at their children's age brackets. LGfL's presentation - Parent Online Safety: A Ready-to-use resource - aims to get parents familiar with topics such as social media, gaming, and online harm.

The presentation can be found here: <https://lgfl.net/safeguarding/parent-online-safety>

# Sleep Hygiene

Sleep hygiene refers to the habits we use to help us get into a good sleep routine. It means creating an ideal environment and routine that lets your brain drift off.

## Why is it important?

- **Physical Health:** Sleep helps your body repair itself and supports a healthy immune system.
- **Mental Health:** Quality sleep boosts mood, focus, and memory.
- **Academic Performance:** Adequate rest improves concentration and helps with learning.

You are more likely to have greasy hair and bad skin with poor sleep.

Not enough sleep means a weakened immune system.

## The Facts

Not enough sleep means you may struggle to concentrate and sit still.

Mood swings and anxiety can increase due to poor sleep.

Sleep more – remember more  
This could help during exam season.

# SLEEP CHALLENGE

01.

## Time

Make sure you start the week right by getting the right amount of sleep. Most people need between 7 and 9 hours to make sure their mind and body are functioning properly.

## Preparation

Make sure before going to bed you leave a couple hours between eating and sleeping. This means you will make the most of a good night's sleep.

02.

03.

## Recharge

Switch off to sleep. Blue light emitted from screens can cause a disruption to your circadian rhythm and affect how well you sleep. Make sure you switch off devices a little while before you go to bed.

## Environment

Your bedroom is all about sleep. Make sure you have everything you need for a good night's sleep. Keep it dark, cool and comfortable.

04.

05.

## Troubles and Worries

Stress and worry can cause difficulty sleeping. You could write worries down, do a calming activity or speak to someone to clear your mind. Easing your worries means better sleep.

If you do not follow the behaviour principles, this is what will happen:

# Opportunity 1

You will have a chance to correct your behaviour.

# Opportunity 2

You will have a final chance to put things right, Your teacher may move you to another seat, ask you to step outside or speak to you outside, or they may choose other options. That is the teacher's choice.

# Consequence

If you still fail to meet your teacher's expectations, there will be a consequence. If you have to be parked, you will automatically be in After School Reflection and your parents will be informed.
