23 April 2020

Dear Students,

I hope you are all well and starting to get used to home schooling through our remote lessons. I know for some of you this is a real challenge, for lots of different reasons. These are challenging times but we will get through it, together. We are all here for you if you need us.

Please don't forget to email your Year Leaders, Tutors, Teachers or Pastoral Support if you need help or support with school work or personal issues.

Remote teaching is new for staff too! We are all learning how to deliver lessons remotely and from what I've seen so far, most lessons are going well and we've been amazed by your engagement, so well done! I've received some lovely feedback from parents and students expressing how they prefer to have live lessons and the opportunity to see teachers and ask questions about the work. Rest assured we are reflecting on each lesson and working on the things that don't go to plan, we are only human! We are confident that these issues will improve each day but please be patient. Please do not use the chat function to make disrespectful and irrelevant comments during the lesson as they interrupt learning.

Below is a reminder of the school day timings followed by your timetabled lessons, please make sure you look at it daily.

Start times of sessions (approximately 30 minutes each)

09.00	PE with Joe Wicks
09.45	Period 1
10.30	Period 2
11.30	Crestwood PE Session
12.15	Period 3
14.00	Period 4

Expectations of students and staying safe

- Do not share private information.
- Do not respond to contact or meeting requests from people you do not know, only follow the link sent by your teacher.
- Be respectful in all your communications. Live streaming means any comments you make will be seen by others and you will not be able to delete or edit them.
- Ensure you know who to tell if you see or hear anything upsetting or inappropriate.
- Devices should be used in appropriate areas only, not in bedrooms for example.
- Students' cameras *must* be switched off, you should only see the teacher.
- Turn off your microphone when others are speaking, this will stop background noise.
- You can use the chat feature to ask questions of the teacher.
- Language must be appropriate, including from any family members in the background.

CRESTWOOD
COMMUNITY SCHOOL

- Ensuring all live-streaming is conducted in group/class settings and never conducted one-to-one. This helps to safeguard both teachers and students.
- Please note, sessions will be recorded and saved to Google Classroom.
- Please do not email your teachers before 8.30am or after 4pm. You can always schedule your email to send to ensure it goes between the times stipulated.

Summary

- The school is providing live online teaching (session 1) and tutorial sessions (session 2) in a more structured way.
- Initially English, Maths, Science, Geography, History, Spanish and French will be involved.
- English, Maths and Science staff will deliver one taught session per week and one tutorial session per week.
- Geography, History, Spanish and French will deliver one session per week which will combine taught and tutorial elements.
- Wherever possible, the timings of these sessions match the slots on your normal timetables.
- Teachers will invite you to the sessions via an email containing a link to Google Hangout Meets. **Please note, live sessions can be accessed by mobile phones.**

If this programme proves successful, live sessions for other subjects will be introduced over time. I hope this creates a bit more structure to your day and provides more support for you to learn in a more effective way. We are all looking forward to returning to school as normal but until then please stay at home and keep safe.

Please scroll down for timetables.

Yours sincerely

Krista Dawkins
