#### Expectations of students and staying safe

- Do not share private information.

- Be respectful in all your communications. Live streaming means any comments you make will be seen by others and you will not be able to delete or edit them.
- Ensure you know who to tell if you see or hear anything upsetting or inappropriate.
- Devices should be used in appropriate areas only, not in bedrooms for example.
- Students' cameras *must* be switched off, you should only see the teacher.
- Turn off your microphone when others are speaking, this will stop background noise.
- You can use the chat feature to ask questions of the teacher.
- Language must be appropriate, including from any family members in the background.
- Ensuring all live-streaming is conducted in group/class settings and never conducted one-to-one. This helps to safeguard both teachers and students.
- Please note, sessions will be recorded and saved to Google Classroom.
- Please do not email your teachers before 8.30am or after 4pm. You can always schedule your email to send to ensure it goes between the times stipulated.
