7 September 2020

Dear Parents/Carers

Open Evenings September 2020

As a school we pride ourselves on delivering Open Evenings that really showcase our school in the best way possible. We love to invite parents and prospective students in to see what we have to offer, meet our team and get involved in some activities. Unfortunately, this year will be very different with COVID restrictions in place, but we still want to invite you into our school to show you what we do. We have therefore decided that our Open Evenings will run in the following way.

Open Evenings will take place on the Cherbourg Campus on Wednesday 23 September and the Shakespeare Campus on Thursday 24 September 2020. They will run from 5.00pm to 8.00pm, when organised tours will take place. The tours will be in groups of 14 and we ask that one parent and one child only attend from each family. All visitors over the age of 11 are required to wear face masks and our staff will also be wearing masks. Tours will be from 5-6pm, 6-7pm and 7-8pm and spaces can be booked by emailing my PA, Justine Sayers, on justine.sayers@crestwood.hants.sch.uk.

As Headteacher, I will deliver a short welcome talk to each group of visitors. A promotional video telling you everything you need to know about Crestwood will also be available on our website and Facebook page on and after the Open Evenings and our prospectus and other school information is available on our website at www.crestwood.hants.sch.uk and on our Facebook page.

Tours will be with one member of staff and groups will be guided around the school using the one way system we currently have in place. We will have eight groups of 14 people in the school at one time, but will be abiding by social distancing rules and groups will be kept apart. We will be limiting students in departments to six per department. Departments will be showcasing what they do, but unfortunately we will have to ask that visitors do not touch anything in departments and do not get too close to the activities.

We will be holding daytime tours also in the week beginning Monday 28 September 2020. Numbers will again be limited and anyone interested in booking a tour to see the school in action, should email Justine Sayers at the address above.

We look forward to welcoming you to what will be a very different style of Open Evening this year. If you have any queries, please do not hesitate to contact us.

Yours sincerely
