Dear Parents/Carers

Open House Events 2020

Further to my letter last week regarding Open Evenings, we have been thinking about ways in which we may be able to show parents and prospective students around the school. Although we are offering our virtual presentation, we know that it is hard to get a feel for the school in this way and for some students this will cause anxiety.

We would therefore like to offer Open Mornings and Afternoons every day for four weeks commencing Monday 28 September at 9.15am and 12.00pm each day. These tours will take place on both campuses at the same time and will be in small groups of four visitors with one member of staff. This means two parents could bring their child in at once and we will still stick to the rule of one parent, one child from a family. Initially, we will only offer this for those who feel their child would really benefit from a physical tour of the school due to having increased anxieties about their move to secondary school.

We are sure that as the school year progresses we will be able to invite our year 6 children into school at some point. However, if guidance does not change, we will think about offering more tours later in the year.

As stated before, we will be providing a virtual presentation which will be available on our [website](#) and social media platforms on Wednesday 23 September 2020. We would appreciate your input and would welcome any particular issues or questions that you would wish to have answered via this presentation. Please email your thoughts to my PA, Justine Sayers, on justine.sayers@crestwood.hants.sch.uk and I will endeavour to address all comments in my presentation.

To book a place for you and your child on one of our tours please also email Justine on the address above, stating why you feel your child would particularly benefit from a tour at this point in time.

Thank you for your interest in Crestwood and your continued support.

Yours sincerely
