

CRESTWOOD
COMMUNITY SCHOOL

KSD/JSS

18 January 2021

Dear Parents, Carers and Students

On the 27th and 28th January we are lucky enough to be able to have a live session with St Giles Trust. St Giles is a charity using expertise and real-life past experiences to empower people. They show people there is a way to build a better future, for themselves and those they care about, and help them create this through support, advice and training.

During this live one hour session students will learn about the consequences of

- Knife crime, and the risk and vulnerability when carrying a knife
- County Lines
- What grooming is and what to look out for
- How to stay safe from gangs and away from gang culture

The session will be held through google meet, just as with all of the other live lessons. These will be accessed through the tutor group Google Classrooms, where a link will be posted for the following sessions -

Shakespeare Year 9 Wednesday 27th January at 12.15pm
Cherbourg Year 9 Thursday 28th January, 10.45am

Please may I remind you that these lessons are compulsory, as they would be in school. I would like to remind students that the same protocols apply in this session with cameras and microphones off unless asked to comment. If anyone does not follow the protocols or there is any negative behaviour in the session then they will be removed.

This is a great opportunity for year 9 students and I hope that everyone can attend the relevant sessions.

Yours sincerely

Katie Sandiford

Mrs K Sandiford
