

CRESTWOOD  
COMMUNITY SCHOOL

KDS/AHN

14 January 2022

Dear Parent/Carer

We are writing to inform you that we received information yesterday from the government advising us that all students should now begin using the Innova lateral flow test kits. These are the original kits we were using in school, where you are required to swab the throat and then the nose, rather than the current kits where it is only required to swab the nose.

We will issue these test kits as soon as possible, but in the meantime, please continue to test twice weekly using whichever kits you have at home.

We apologise that the guidelines have changed yet again, but this is out of our control and we need to follow government advice. If you have any questions please do not hesitate to contact Matron ([anji.hinton@crestwood.hants.sch.uk](mailto:anji.hinton@crestwood.hants.sch.uk)) and she will do her best to help.

Yours sincerely

Krista Dawkins  
Headteacher
